VHGMC Forums Merry Tiller Truck tractorbox co uk
April 21st, 2019 - My Dad had a Merry tiller like yours and I used to use it. It was imported by a Plymouth Devon firm called Westmac. Slot at the front engages with a pin through the front hole. Notched lug at rear of ring engages with hole where skid normally goes. 6 months ago I couldn't even spell engineer now I are one. The chassis has a piece of
